MME YALE'S HAIR TONIC

LADIES AND GENTLEMEN: It affords me great pleasure to call the attention of the public to my Yale's Hair Tonic, which is the first and only remedy known to chemistry which positively turns gray hair back to its original color without dye. I personally endorse its action and give the public my solemn guarantee that it has been tested in every conceivable way, and has proved itself the only Hair Tonic. It stops hair-falling immediately and creates a luxuriant growth. Contains no injurious ingredient. It is not sticky or greasy; on the contrary, it makes the hair soft, youthful, fluffy, keeps it in curl and removes dandruff. For gentlemen and ladies with hair a little gray, streaked gray, entirely gray and with BALD HEADS. It is specially recommended.

All druggists. Price \$1; also Yale's Skin Food, \$1.50; Yale's Complexion Cream, \$1; Yale's Face Powder, 50c; Yale's Beauty Soap.
